Anti-Discrimination Policy

All members are expected to treat one another courteously, with respect for the other person's cultural, religious or personal feelings and to avoid any behaviors known to be offensive.

In the event that a member feels an approved Teens Give Back (TGB) activity is in conflict with their cultural, religious or personal feelings, it is the member's responsibility to respect these inherent differences within TGB and choose not to participate in the activity. Please advise your Chapter President of the specific concern(s) so that these may be considered in the TGB's mission statement.

All concerns regarding the Anti-discrimination Policy will be recorded and maintained by the Chapter President. These concerns will be reviewed by the Board of Directors annually to ensure the TGB Chapters continue to evolve and meet TGB's needs and character.

My acknowledgment of Teens Give Back Anti-Discrimination Policy is for the duration of my association with Teens Give Back, either as an active or inactive member.
